CHIEF SECRETARIAT

Sir,

SUB:- TYPEWRITERS - Collector's Office -Security work- New typewriter (Portable) Supply - sanction Requested.

(B) Ref:- G.O.No.Ms.No. 1576 48 dated 29 6 48

In the G.O.cited above Government have sanctioned the appointment of an upper division clerk in my Office for work connected with the Security work. As this work involves all secret correspondence, I have appointed a clerk who knows short-hand and typewriting also, so that he can do all the fair-copying work also, relating to this secret correspondence. The number of typewriters in the Collector's Office is just sufficient for the routine work. At present one of these typewriters is being utilised for security work and consequently the routine work in the Fair-copying section is badly suffering.

I therefore request that the Government may be pleased to sanction the supply of a new typewriter for the work immediately. A portable typewriter is preferable as I am taking the Upper division clerk on camps also. The work on the security side is on the increase and I find the special upper division clerk has to do lot of typing daily. The typewriter will be returned to the Superintendent of Stationery as soon as the necessity for it ceases. I may in this connection state that the Portable Typewiter used by the camp clerk is worn out by efflux of time and I shall return it to the Superintendent of Stationery soon after the typewriter for security work is received.
